DECIMALS ACTIVITIES

- **Build a Christmas Tree**
- **Build a Snowman**
- **Build a Gingerbread House**
- **Plan a Sweet Treat Party**

IDEAS FOR USE

- Before the holidays, use Christmas Tree, Gingerbread House
 - After the holidays, use Build a Snowman
 - All year long, use Plan a Sweet Treat Party
 - Print the Menus or Price Sheets and place around the room or at groups. You could also project the menus/price sheets onto the board to save paper.
 - Keep students engaged with these fun activities!

PURCHASE NOW TO INCREASE STUDENT ENGAGEMENT!

“Great material as you wind down toward vacation. It has academic value and keeps the kids ”plugged” in before a much anticipated break!” -5th Grade Teacher

“This bundle gets 10 stars!!! What a creative, fun way to learn about money!” -Teacher

“It was such a great resource that focused on the skills my students needed to practice! They enjoyed it too!” -Teacher

“Thought this was adorable! My kids like the idea of planning a holiday party. I had my students do their work on separate sheet of paper.” -Teacher
