

# 2-Digit Multiplication

# SOLVE THE ROOM

$$30 \times 20$$

$$18 \times 26$$

$$28 \times 28$$

$$24 \times 12$$

Name: \_\_\_\_\_

Directions: Find the card that matches each shape and solve the problem. Write the answer in the box that matches the shape.

|                                                                                       |                                                                                       |
|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|    |    |
|    |    |
|    |                                                                                       |
|    |                                                                                       |
|    |                                                                                       |
|  |                                                                                       |
|  |                                                                                       |
|  |                                                                                       |
|  |                                                                                       |
|  |  |
|                                                                                       |  |

Students find problems around the room & write the answers on their recording sheet.

Name: \_\_\_\_\_

Directions: Find the card that matches each shape and solve the problem. Write the answer in the box that matches the shape.

|                                                                                     |                                                                                      |

# What's Included?

- Teacher Directions & Tips
- 20 Problem Cards
- Student Recording Sheet
- Extension Activity: Create a matching word problem
- Answer Key

# 20

## Problems

$$16 \times 22$$

$$17 \times 12$$

$$28 \times 28$$

$$24 \times 12$$

$$56 \times 32$$

$$30 \times 20$$

# Extension Activity

Students create a matching word problem.

Name: \_\_\_\_\_

## Create a Matching Word Problem

Directions: Use the numbers from the cards to write your own matching word problem.

|                                                                                       |  |

# How to Use:

1. Print out each page. You can print on cardstock and/or laminate to help the cards last longer.
2. Cut out each card. There are 4 to a page.
3. Place the cards around the room or tape the cards to the walls, back of student chairs, doorways, etc.
4. Give students a clipboard. They'll walk around the room to find the cards.
5. Students will find the card that matches each shape. They'll solve the problem then write the answer in the box that matches the shape.

# Students are up and moving around the room while solving math problems. That's a WIN!
