

Comparing Decimals

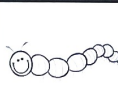

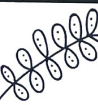

SOLVE
THE
ROOM

Students find problems around the room & write the answers on their recording sheet.

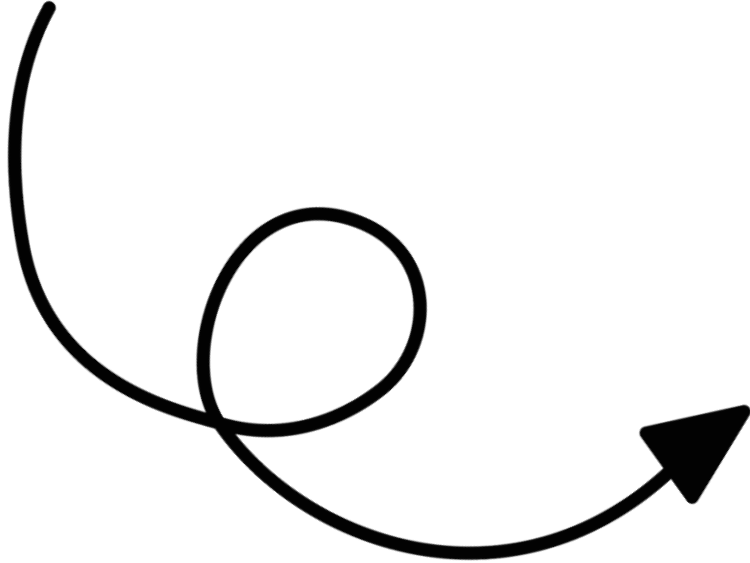

Name: _____

Directions: Find the card that matches each shape and solve the problem. Write the answer in the box that matches the shape.

Teacher Directions Included

Write the Room

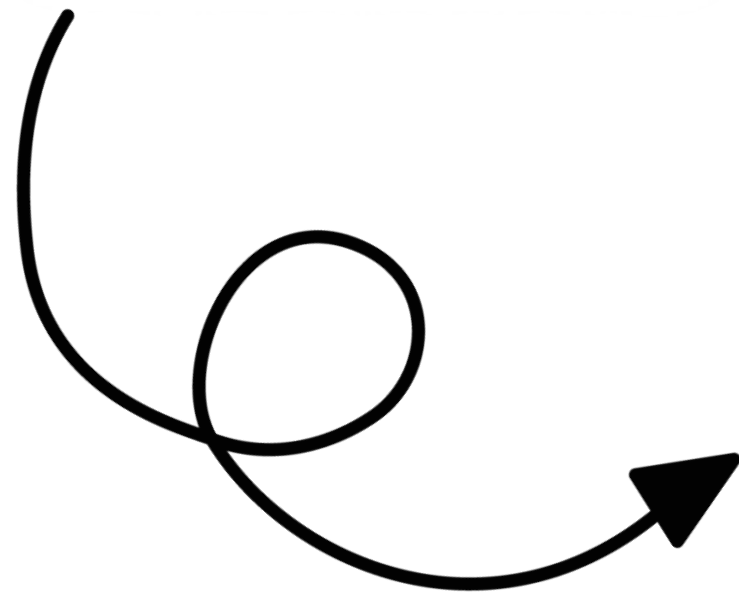

Spring Theme

Directions for Use:

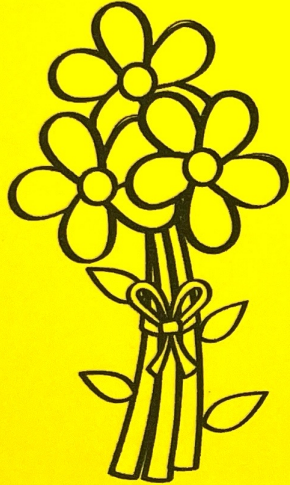

- Print out each page. I recommend using cardstock.
- You can laminate the pages so they last longer.
- Cut out each card. There are 4 to a page.
- Place cards around the room or tape cards to the walls.
- Give students a clipboard and they'll walk around the room to find the cards.
- Students will find the card that matches each shape and solve the problem. Write the answer in the box that matches the shape.
- If you'd like to challenge your students or keep them busy when they finish, ask students to create word problems that match the numbers.

20 Problems

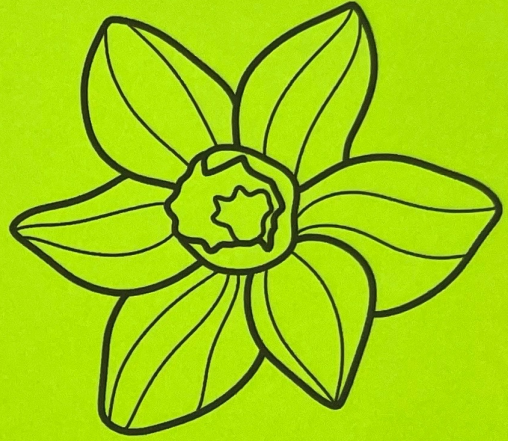

9.42 ○ 0.92

A black and white line drawing of a bouquet of five flowers tied together with a ribbon.

9.65 ○ 96.5

A black and white line drawing of a watering can with a handle and a spout.

4.24 ○ 4.42

A black and white line drawing of a single flower with five petals and a central center.

1.35 ○ 1.93

A black and white line drawing of a bee with a striped body, wings, and antennae.

2.09 ○ 2.9

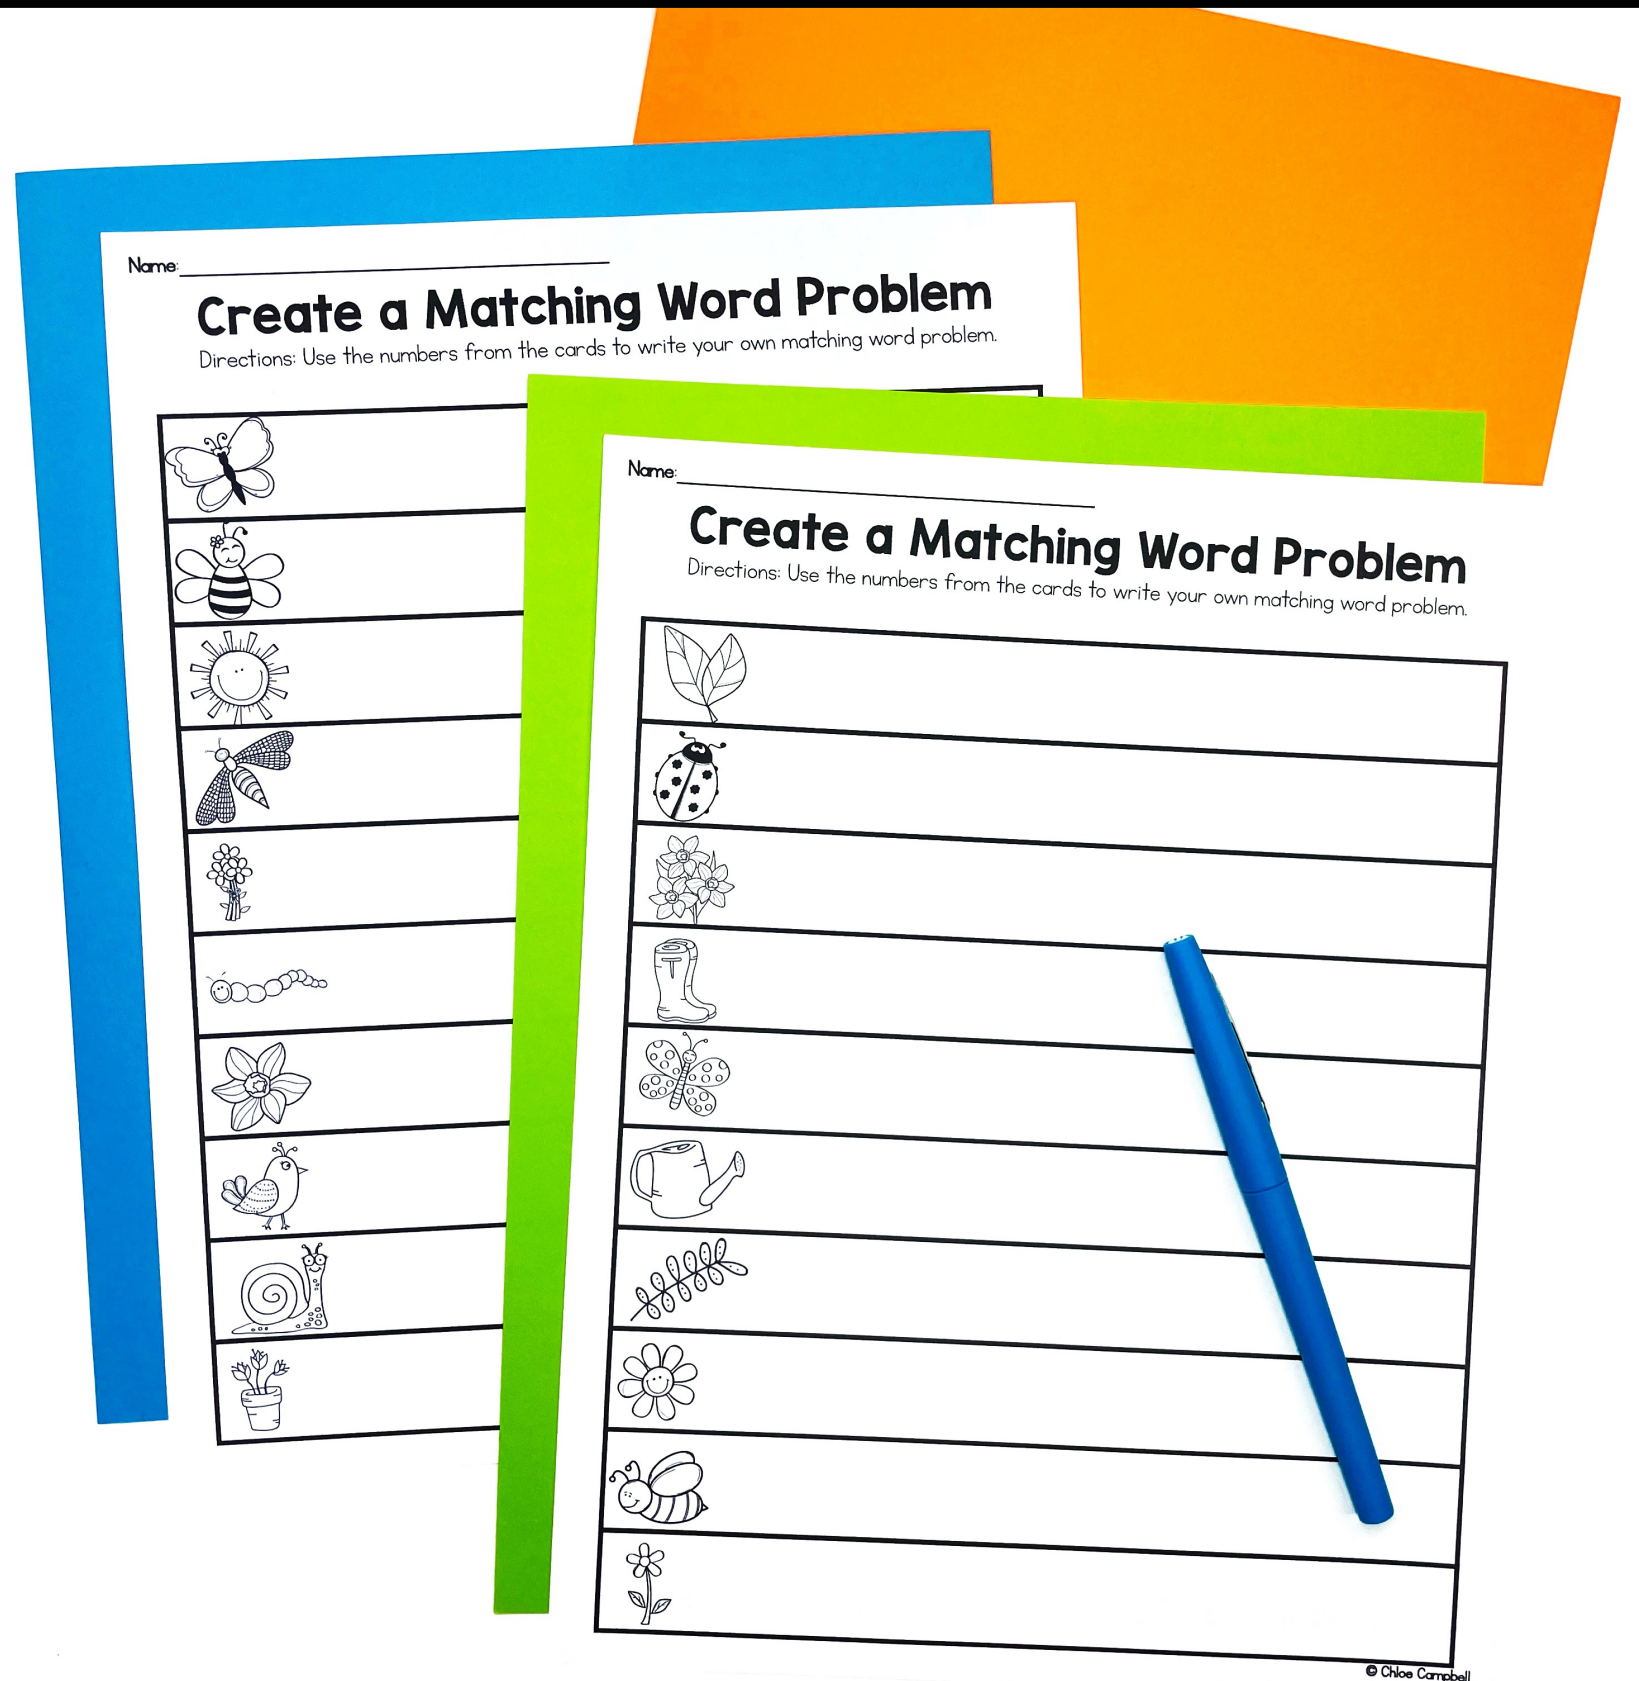

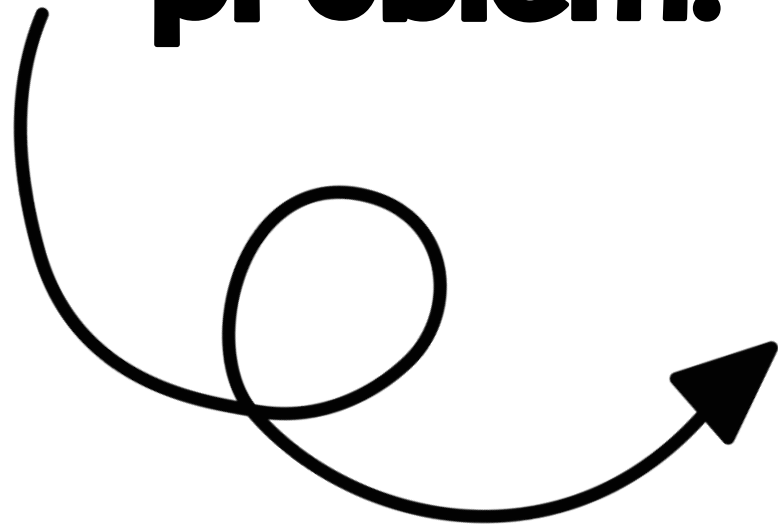

A black and white line drawing of a single flower with a long stem and two leaves.

5.78 ○ 9.33

A black and white line drawing of two leaves with prominent veins.

Extension Activity

Students create a matching word problem.

How to Use:

1. Print out each page. You can print on cardstock and/or laminate to help the cards last longer.
2. Cut out each card. There are 4 to a page.
3. Place the cards around the room or tape the cards to the walls, back of student chairs, doorways, etc.
4. Give students a clipboard. They'll walk around the room to find the cards.
5. Students will find the card that matches each shape. They'll solve the problem then write the answer in the box that matches the shape.

Answer Key
Included

Students are up and moving around the room while solving math problems. That's a WIN!
