DIVIDING DECIMALS OF THE PROPERTY OF THE PROPE

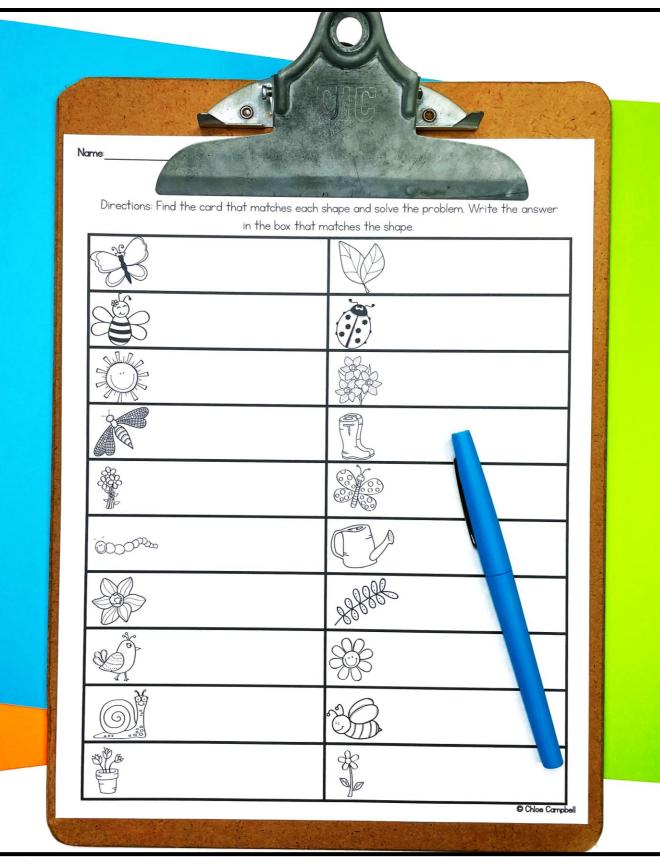

SOLVE

2000

Students find problems around the room & write the answers on their recording sheet.

Teacher Directions Included

Write the Room

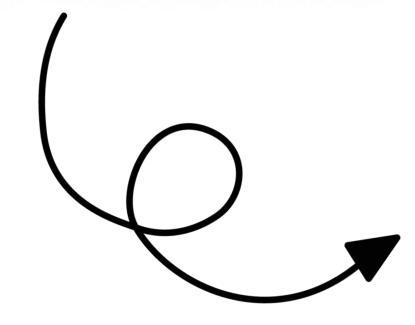

Spring Theme

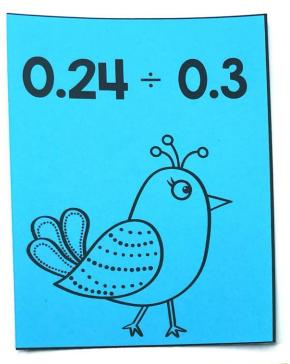

Directions for Use:

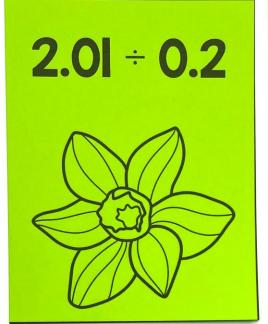

- Print out each page. I recommend using cardstock.
- You can laminate the pages so they last longer.
- Cut out each card. There are a 4 to a page.
- Place cards around the room or tape cards to the walls.
- Give students a clipboard and they'll walk around the room to find the cards.
- Students will find the card that matches each shape and solve the problem. Write the answer in the box that matches the shape.
- If you'd like to challenge your students or keep them busy when they finish, ask students to create word problems that match the numbers.

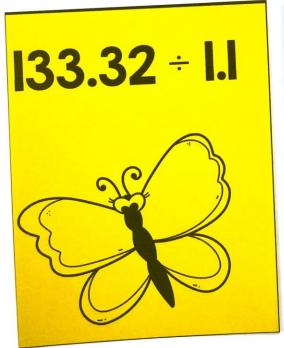

20 Problems

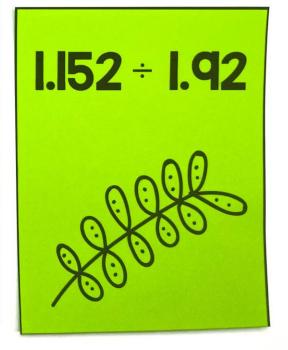

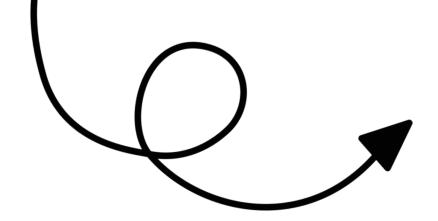

Extension Activity

Students create a matching word problem.

Create a Matching Word Problem.

Directions: Use the numbers from the cards to write your own matching word problem.

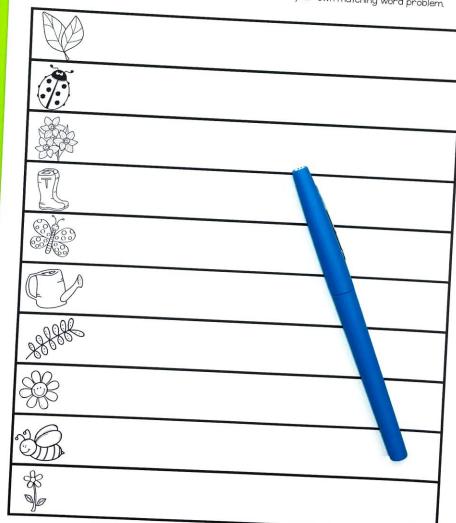

Create a Mat

Directions: Use the numbers from the cards to write your own matching word problem.

Create a Mat

Directions: Use the numbers from the cards to write your own matching word problem.
