How to Play: Hold a paper clip on the spinner by using the tip of a pencil. Spin the paper clip in the top spinner first. Write that number under factor #1. Spin the paperclip in the second spinner, then write that number under factor #2. Multiply the two numbers, then write your answer in the product column.

Multiplication Mastery - Three Digits by Two Digits

Factor #1		Factor #2	Product
	X	73	15,914
	X		
	X		
	X		
	X		

Spin the spinner by using the tip of a pencil. Spin the paper clip in the top spinner first. Write that number under factor #1. Spin the paperclip in the second spinner, then write that number under factor #2. Multiply the two numbers, then write your answer in the product column.
