Teachers Like You Have LOVED This Resource!

★★★★★ Extremely satisfied

My students loved using this resource to review adding and subtracting fractions! Any type of competitive game engages my group of students, and this game did just that! I highly recommend it for a little-to-no prep review of content.

★★★★★ Extremely satisfied

I love the fun shapes included with these task cards! Great resource to help with adding and subtracting fractions.

★★★★★ Extremely satisfied

This was a great partner station for my kids!

★★★★★ Extremely satisfied

This board game was so much fun to do with my students. They were very engaged and were getting in that extra practice without even knowing it.
