Ideas for Use:

- Centers during Compare and Order Decimals lessons
- Workstations to use throughout the school year as spiral review
- Engaging morning work activities
- Early finisher activities
- Whole group practice
- Substitute
- Send home to engage students' families

Teachers Like You Say:

“Great resource that made learning fun!”

“Fun! I used this as a partner activity and the kids loved it.”

“We made games for the class and invited parents in to play the game with their child.”
